## Soldiers Fudge Recipe

From Holly

My husband and I have been making this recipe every year for more than 25 years. Well, mostly he makes it. This was the first candy recipe I taught him to make after we were married. In fact, he calls it his signature holiday treat for his friends. It's quick (under 10 minutes), easy and tastes great. It wouldn't be the holidays without Soldiers Fudge. It ships well so I guess that's where the name comes from.

## Soldiers Fudge Recipe

12 oz semi-sweet chocolate chips  
1 oz unsweetened chocolate square  
1 can Eagle Brand Sweetened and Condensed milk  
1 tsp vanilla  
1 cup chopped nuts (optional)

In a saucepan over low/medium heat, melt together chocolate and condensed milk. When completely melted together, about 5 minutes, add vanilla and then nuts. Pour into buttered square pan and chill about 2 hours. Keeps well for long periods if you can resist eating it.
